Author : A.J. Smith Pages : 640 pages Publisher : Head of Zeus Language : en-US ISBN-10 : 18159154-the-black-guard ISBN-13 :

Synopsis book

The launch of an heroic fantasy saga set in the lands of Ro, an epic landscape of mountain fortresses, vast grasslands, roiling ocean and slumbering gods. The Black Guard is the first in a major new fantasy series, The Long War, set in an invented world somewhat similar to medieval Europe in terms of technology, heraldry and ethics. Magic features in the world, but is rare and mostly confined to the various priesthoods. The city of Ro Canarn has been assaulted by Knights of the Red. Amongst them is a Karesian Enchantress of the Seven Sisters, intent on manipulating the men of Ro to her ends. Her Sisters intend the assault to be the first move in a longer game, a war intended to destroy worship of the Gods of men and bring back the malevolent Forest Giant of pleasure and blood. The young Lord of Canarn, and one of his closest friends, plan a desperate gambit to take back the city, whilst his sister journeys north and confronts more of the Sisters' schemes as they try to conquer the rest
