## **Synopsis book**

Who was Jacqueline Kennedy Onassis? She was a wife, mother, artist, editor, and world traveler. A bright young woman who rose to unparalleled celebrity. One of the world's most inspiring and influential women of her day, she has become arguably the most important female icon of all time. Yet she also was a woman of passion and deep emotions, who wanted to experience all that life had to give. How did she feel about it all? She never told. Jackie said quite famously, "I want to live my life, not record it." Jackie remains elusive, her interior life hidden, her soul masked behind sunglasses and an enigmatic smile. For the first time, these fictional memoirs tell Jackie's story in Jackie's voice--with all her joy and wit, grief and bitterness, gentleness and fortitude. Ruth Francisco boldly plunges into the subtext of Jackie's public life, psychology, and sexuality, beyond her dazzling mythic exterior, reimagining Jackie's feelings and thoughts between the lines of recorded history.
