## **Synopsis book**

Dominated by a few old, founding families, Germantown was mired in tradition and hearsay. All that changed once the Picketts arrived. No one knew what to make of them at first, and no one could have predicted the unbelievable tragedy this family would bring to the small town. Set against the backdrop of the rural North Carolinian piedmont during the Great Depression, *Amidst This Fading Light* explores life, death, and what it means to carry on as we deal with what fate forces upon us, both the light and the dark, to persevere and survive or to be swept away by time and inescapable memory.
