

EVEN GODS CAN BE SLAIN

# THE TIGER'S DAUGHTER

"Rich, expansive...  
simply exquisite."

—V.E. Schwab, *New York Times*  
bestselling author

An illustration of two riders on horseback, one in traditional red and black attire and the other in a brown fur cloak, standing on a rocky outcrop overlooking a vast, misty landscape. The scene is atmospheric and evocative of a fantasy setting.

## **Synopsis book**

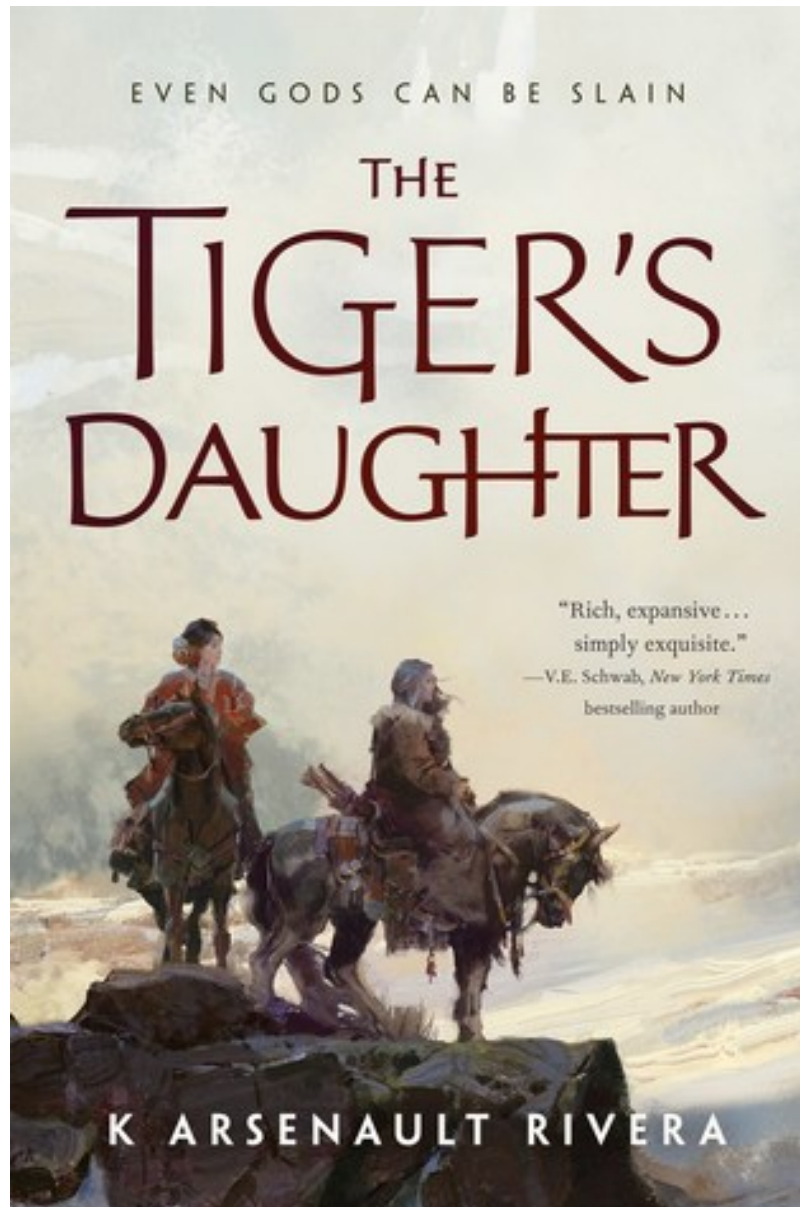

Even gods can be slain. The Hokkaran empire has conquered every land within their bold reach?but failed to notice a lurking darkness festering within the people. Now, their border walls begin to crumble, and villages fall to demons swarming out of the forests. Away on the silver steppes, the remaining tribes of nomadic Qorin retreat and protect their own, having bartered a treaty with the empire, exchanging inheritance through the dynasties. It is up to two young warriors, raised together across borders since their prophesied birth, to save the world from the encroaching demons. This is the story of an infamous Qorin warrior, Barsalayaa Shefali, a spoiled divine warrior empress, O-Shizuka, and a power that can reach through time and space to save a land from a truly insidious evil.
