Dragons (Rain Wild  
Chronicles, #3) | [P.D.F]**

## **Book details**

Author : Robin Hobb Pages : 334 pages Publisher : Harper  
Voyager Language : eng ISBN-10 : 11801463-city-of-  
dragons ISBN-13 : 9780061561634

## **Synopsis book**

Once, dragons ruled the Rain Wilds, tended by privileged human servants known as Elderlings. But a series of cataclysmic eruptions nearly drove these magnificent creatures to extinction. Born weak and deformed, the last of their kind had one hope for survival: to return to their ancient city of Kelsingra. Accompanied by a disparate crew of untested young keepers, the dragons embarked on a harsh journey into the unknown along the toxic Rain Wild River. Battling starvation, a hostile climate, and treacherous enemies, dragons and humans began to forge magical connections, bonds that have wrought astonishing transformations for them all. And though Kelsingra is finally near, their odyssey has only begun. Because of the swollen waters of the Rain Wild River, the lost city can be reached only by flight a test of endurance and skill beyond the stunted dragons strength. Venturing across the swift-running river in tiny boats, the dragon scholar Alise and a handful of keepers discover a world

**SYNOPSIS**

Once, dragons ruled the Rain Wilds, tended by privileged human servants known as Elderlings. But a series of cataclysmic eruptions nearly drove these magnificent creatures to extinction. Born weak and deformed, the last of their kind had one hope for survival: to return to their ancient city of Kelsingra. Accompanied by a disparate crew of untested young keepers, the dragons embarked on a harsh journey into the unknown along the toxic Rain Wild River. Battling starvation, a hostile climate, and treacherous enemies, dragons and humans began to forge magical connections, bonds that have wrought astonishing transformations for them all. And though Kelsingra is finally near, their odyssey has only begun. Because of the swollen waters of the Rain Wild River, the lost city can be reached only by flight? a test of endurance and skill beyond the stunted dragons? strength. Venturing across the swift-running river in tiny boats, the dragon scholar Alise and a handful of keepers discover a world
