Synopsis book

Set in a time when women had few rights, this compelling narrative chronicles one womans tenacious journey from abuse to independence. This is a #MeToo story that has waited over a century to be told. Mt. Clemens, Michigan 1887. Seventeen and headstrong, with marriage on her mind, Maggie is sure she has found her one true love. But when she collides head-on with betrayal, overwhelming loss and ill-treatment, her life unravels. Maggie rises above adversity through rare determination and grit, becoming an independent woman ahead of her time. Yet before she can truly find peace, one heartbreaking, life-altering decision remains. Inspired by her great-grandmothers life, the author explores intergenerational relationships between parents and children, husbands and wives, and sisters. She weaves a timeless story of survival and courage set against the backdrop of late 19th century Michigan and the prairies of eastern Montana at the turn of the twentieth century.
