Synopsis book

Now in the final stages of their quest for his son, Garion and his companions travel to Kell to consult the only undamaged copy of the Malloreon Gospels. For centuries the Seers have guarded this book from the Grolims and even had their wizards put a curse of blindness on any Grolim who tried to enter Kell. So, as proclaimed in Guardians of the West, Belgarion the Godslayer sets out with those who must join him: the Eternal Man, the Guide, the Man with Two Lives, the Bearer of the Orb and the Silent Man, and the rest of his companions to The Place Which Is No More to make the final choice - darkness or light. But Zandramas the Sorceress will not be outdone. Though she may not enter Kell she still has young Geran and should she reach the final meeting place with him, then Garion must slay his son or the world will be no more. **THUS ENDS THE EPIC STORY OF THE MALLOREON**
