Synopsis book

The Billy Gogan story is a fictional memoir told by an old Army general of his adventures as a young man. Billy Gogan, American, opens with recently orphaned Billy Gogan fleeing Ireland on the eve of the Great Hunger either because he is the son of a dangerous revolutionary, or because his cousin doesn't trust him around his daughter. Billy and his traveling companions, an Irish peasant named Mire and her young daughter Fona, endure the harsh passage to Gotham but get separated as they debark. Billy searches for them in the dangerous Five Points, ground zero in the collision of Americans, ex-slaves, and Irish refugees. Here, Billy completes his education. Already able to declaim Cicero and construe Aristotle, he learns voting fraud from Bill Tweed, the future head of Tammany Hall. Charlie Backwell teaches Billy the numbers game. Finally, Brannagh OMarran, the beautiful mulatto daughter of the Irish madam of Gothams finest knocking shop, teaches him about love. Billy eventually
