Synopsis book

Tom Franklin's extraordinary talent has been hailed by the leading lights of contemporary literature Philip Roth, Richard Ford, Lee Smith, and Dennis Lebanese.

Reviewers have called his fiction ingenious (USA Today) and compulsively readable (Memphis Commercial Appeal).

His narrative power and flair for characterization have been compared to the likes of Harper Lee, Flannery O'Connor, Elmore Leonard, and Cormac McCarthy. Now the Edgar Award-winning author returns with his most accomplished and resonant novel so far an atmospheric drama set in rural Mississippi. In the late 1970s, Larry Ott and Silas "32" Jones were boyhood pals. Their worlds were as different as night and day: Larry, the child of lower-middle-class white parents, and Silas, the son of a poor, single black mother. Yet for a few months the boys stepped outside of their circumstances and shared a special bond. But then tragedy struck: Larry took a girl on a date to a drive-in movie, and she was never heard from
