Synopsis book

Fans of Caleb Carr, Erik Larsen, and Gangs of New York will love this riveting historical thriller debut, set in a 1799 New York City. Seven years after a financial crisis nearly toppled America, traders chafe at government regulations, racial tensions are rising, and corrupt financiers make back-door deals with politicians... 1799 was a hell of a year. Thanks to Alexander Hamilton, America recovered from the financial panic of 1792, but the young country is still finding its way. When a young lawyer returns to prove his father's innocence, he exposes a massive financial fraud that the perpetrators are determined to keep secret at any cost. And reaching the highest levels, the looming crisis could topple the nation.
