## **Synopsis book**

A novel about the wayward son of an alcoholic army officer. As his dysfunctional family moves from one military base to the next, Dave Knight develops a give-a-damn attitude and an ironic sense of humor. In high school, he becomes the class clown and is accepted by other delinquents. He joins them in a series of escapades, some dangerous, others funny, and a few that would be worthy of jail time should the troublemakers be caught. After barely graduating, Dave is drafted into the army and sent to guard a nuclear weapons depot in Korea. There he runs afoul of his sergeant and must scramble to avoid dishonorable discharge.
