Synopsis book

After witnessing the horrific murder that was committed by her fiance just days before their wedding, Aimee immediately flees from the life she knows. Lost in Greece, Aimee is inevitably and uncontrollably thrust into a supernatural world where she is terrified to learn what she really is. Crouching at every corner lies a new confusing memory that torments her from her previous life, while her feelings of love cease to die, but awaken more deeply for the mysteriously handsome stranger, who wants to rescue her. Battling the man, who she mistakenly still loves is a bigger conquest than imagined, but can she free her captured thoughts from the man who owns her? Facing the ultimate decision, to lose all humanity by becoming the weapon the Rogues desire most, or to destroy the creation of love. Can Aimee make the sacrifices needed to overcome deceit, love and her power that is irrepressibly blood thirsty?
