Synopsis book

Shifters, Zombies, and Vampires? Oh my! My name is Dorothy Gale, and I think I might be dead. When my dog Toto and I got swept up in a twister, we landed in hell. A very colorful hell. Like a rainbow dripping in blood. Now it looks as though this dreadful underworld plagued with vampires, zombies, and shifters will be the site of my eternal damnation. They say this terrifying land called Oz isn't hell or purgatory, that escape is possible, but first I must survive the journey down the blood-soaked yellow brick road to the only place in Oz where vampires dare not tread: The City of Emeralds. With enchanted footwear and the help of my three new friends: a friendly zombie, a massive shifter lion, and a heartless axe murderer of evil night creatures who also happens to be the hottest guy I've ever seen, Toto and I have a fighting chance to make it to the Vampire Free Zone. When we get there, I must convince the most powerful wizard in this magical land of monsters to send us out of this
