## **Synopsis book**

On the borderland between this world and the world of Quiddity, the sea of our dreams, sits Everville. For years, it has lived in ignorance of the gleaming shore on which it lies. But its ignorance is not bliss. Opening the door between worlds, Clive Barker delivers his characters into the heart of the human mystery; into a place of revelation, where the forces which have shaped our past (and are ready to destroy our future) are at work.
