Synopsis book

The comfortable world of Martris Drayke, second son of King Bricen of Margolan, is shattered when his older half-brother, Jared, and Jareds dark mage, Foor Arontala, kill the king and seize the throne. Tris is the only surviving member of the royal family aside from Jared the traitor. Tris flees with three friends: Soterius, captain of the guard; Carroway, the courts master bard; and Harrtuck, a member of the royal guard. Tris harbors a deep secret. In a land where spirits walk openly and influence the affairs of the living, he suspects he may be the mage heir to the power of his grandmother, Bava Kaa, once the greatest sorceress of her age. Such magic would make Tris a Summoner, the rarest of magic gifts, capable of arbitrating between the living and the dead.
