Synopsis book

"The Cold War sets the stage for various proxy wars, nationalist movements, and covert missions across Africa, Asia, Europe, and the Americas. Out of the tumult will emerge a warrior. Though his heart is in the right place, he knows that he must make a tough decision that will determine his fate-and the fate of generations to come."

Welcome to the world of Eteka: Rise of the Imamba: a powerful set of connected stories that spans two timelines: the Cold War tensions of the 1950s and the post-Cold War era of the 1990s. Eteka: Rise of the Imamba is a dark, action packed thriller that follows multiple characters across 14 locations around the world, and will appeal to readers that enjoy history, suspense, fantasy and world cultures. It is an original and unusual piece of literary fiction in the fact that it seamlessly fuses African, Asian, European and American cultures into an unforgettable reading experience.
