Now seventeen, she is expected to choose a husband and marry. She plots to run away, but just as she is stepping out the door, she runs into a mysterious man--and is kidnapped. Abducted from her manor, Sora is plunged into a world of magical races, arcane jewelry and forgotten lore. She finds herself at the mercy of a dangerous assassin, haunted by an even darker past. She yearns for freedom, but he won't let her go--not when her Cat's Eye necklace is the only thing that can save his life. But the necklace itself presents a problem. It is an ancient device from the long forgotten War of the Races, and its magic has the ability to steal souls. Can Sora learn to wield its power -- or will the power wield her?
