Synopsis book

SOME ARE BORN TO POWER SOME SEIZE IT AND
SOME HAVE THE WISDOM NEVER TO WIELD IT The
Red Knight has stood against soldiers, against armies and
against the might of an empire without flinching. He's
fought on real and on magical battlefields alike, and now
he's facing one of the greatest challenges yet. A
tournament. A joyous spring event, the flower of the nobility
will present arms and ride against each other for royal
favour and acclaim. It's a political contest - and one which
the Red Knight has the skill to win. But the stakes may be
higher than he thinks. The court of Alba has been
infiltrated by a dangerous faction of warlike knights, led by
the greatest knight in the world: Jean de Vrailly - and the
prize he's fighting for isn't royal favour, but the throne of
Alba itself. Where there is competition there is opportunity;
the question is, will the Red Knight take it? Or will the
creatures of the Wild seize their chance instead . . . 'A
stirring, gritty and at times quite brutal epic
