Synopsis book

As he pursues a man who is not what he seems, Constable Dallin Brayden learns the lines between enemy and ally, truth and deception, and conscience and obedience are not only blurred, but malleable. Constable Dallin Brayden knows who he is, what hes about, and he doesnt believe in Fate. Wilfred Calder has no idea who he is or what hes about, and hes been running from Fate for as long as he can remember. When Wil flees after witnessing a murder, its Dallins job to pursue him. Along the way, hes pulled into a maelstrom of ancient myth, fanatical religion, and the delicate politics of a shaky truce between two perpetually warring countries all of which rests on the slender shoulders of the man he knows is not Wilfred Calder. Even Dallins success proves a hollow victory. Wil is vengeful, rebellious, and lethal, and his tale of magic and betrayal rocks the carefully constructed foundations of Dallins world. Suspicious and only half believing, Dallin must question not only his own
