

The book cover features a close-up of a woman in historical attire. She wears a dark blue hooded cloak over a light-colored, lace-trimmed dress. Her accessories include a multi-strand pearl necklace, a large ornate cross pendant, and a bracelet with red beads and pearls. In the background, a stone building with a tower is visible under a clear sky.

Synopsis book

Richly engaging historical adventure in the vein of *The Winter Palace* and *The Malice of Fortune*. *Muse* is the story of the charismatic woman who was the inspiration behind Petrarch's sublime love poetry. Solange Le Blanc begins life in the tempestuous streets of 14th century Avignon, a city of men dominated by the Pope and his palace. When her mother, a harlot, dies in childbirth, Solange is raised by Benedictines who believe she has the gift of clairvoyance. Trained as a scribe, but troubled by disturbing visions and tempted by a more carnal life, she escapes to Avignon, where she becomes entangled in a love triangle with the poet Petrarch, becoming not only his muse but also his lover. Later, when her gift for prophecy catches the Pope's ear, Solange becomes Pope Clement VI's mistress and confidante in the most celebrated court in Europe. When the plague kills a third of Avignon's population, Solange is accused of sorcery and is forced once again to reinvent herself and fight
