

The background of the cover is a painting of a classical temple with many columns, situated on a grassy hill. The sky is filled with soft, white clouds. The overall style is that of a 19th-century book illustration.

Synopsis book

Three Hundred Years of Slavery. Greece, 373 BC. For three centuries, the Messenian people have been brutally subjugated by their Spartan neighbours and forced to work the land as helot slaves. Diocles, a seventeen-year-old helot, has known no other life but servitude. After an encounter with Spartan assassins, he is forced to flee, leaving behind his family and his love, Elpis. On Mount Ithome, the ancient sanctuary of the Messenians, he meets Aristomenes, an old rebel who still remembers the proud history of their people and clings to a prophecy that they will one day win back their freedom. A forlorn hope, perhaps. But elsewhere in Greece, there are others too who believe it is time that the power of Sparta was broken."
