The Second Great War between the Light and the Dark has begun, and Abaddon the Demon Lord is searching for the four ancient Wizard Crystals of the Elements. Once the Crystals are in his hands, and corrupted to evil, he will destroy the forces of Light upon the earth, and transform the world into eternal darkness. But Darshun Luthais, one of the last Nasharin warriors, along with a few companions, sets out on a quest to find the Crystals first. Along the journey they encounter giant six-legged serpents, the ruthless Cullach, and other entities of darkness; yet the most challenging obstacle is Darshun's constant struggle against temptations of evil, and his vow to hold to the faith of all who are calling him the Guardian the prophesied warrior who will bring down the Demon Lord.
