## **Synopsis book**

Dukes's gripping historical novel tells the tale of a desperate Albanian woman who will do whatever it takes to keep her independence and seize control of her future...even if it means swearing to remain a virgin for her entire life. When eighteen-year-old Eleanora's father is shot dead on the cobblestone streets of 1910 Albania, Eleanora must abandon her dream of studying art in Italy as she struggles to survive in a remote mountain village with her stepmother Meria. Nearing starvation, Meria secretly sells Eleanora into marriage with the cruel heir of a powerful clan. Intent on keeping her freedom, Eleanora takes an oath to remain a virgin for the rest of her life—a tradition that gives her the right to live as a man: she is now head of her household and can work for a living as well as carry a gun. Eleanora can also participate in the vengeful blood feuds that consume the mountain tribes, but she may not be killed unless she forsakes her vow, which she has no intention of ever
